

# Precepting the Preceptor

Sarah Patel, MSN, RNC

Lecturer I

# Disclosures

- I have no conflicts of interest to disclose.

# Objectives

- Describe the foundational steps to ensure a successful orientation and integration into the healthcare environment.
- Discuss obstacles with precepting in an academic center.
- Describe two precepting tools or models available to encourage critical thinking.

“By doing what you love, you  
inspire and awaken the hearts  
of others.”

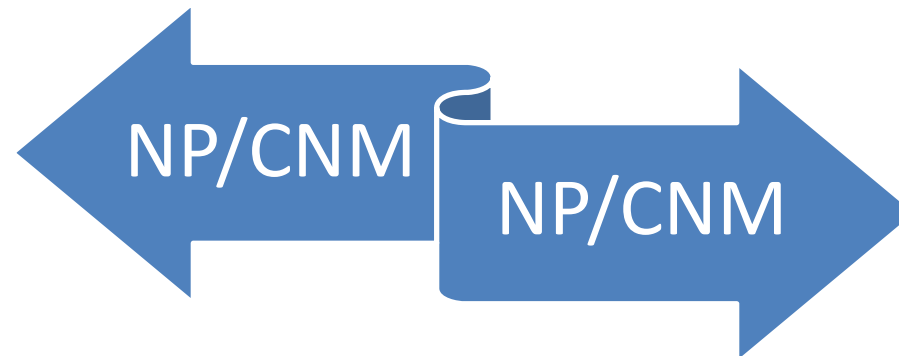

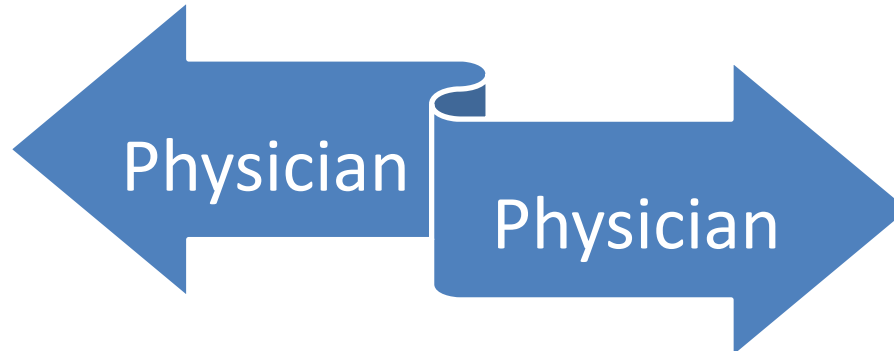

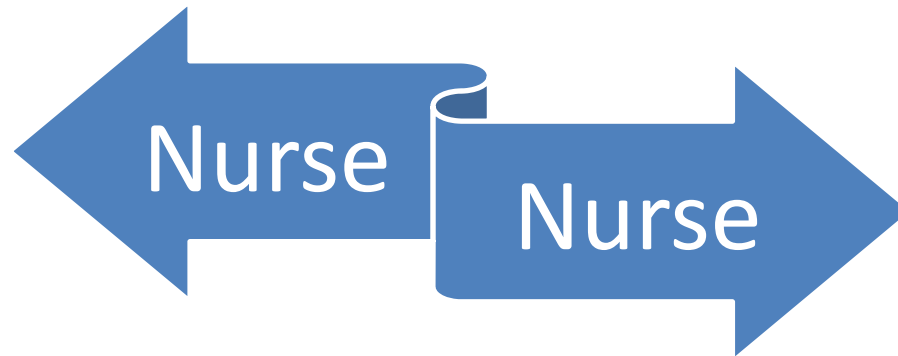

-Satsuki Shibuya

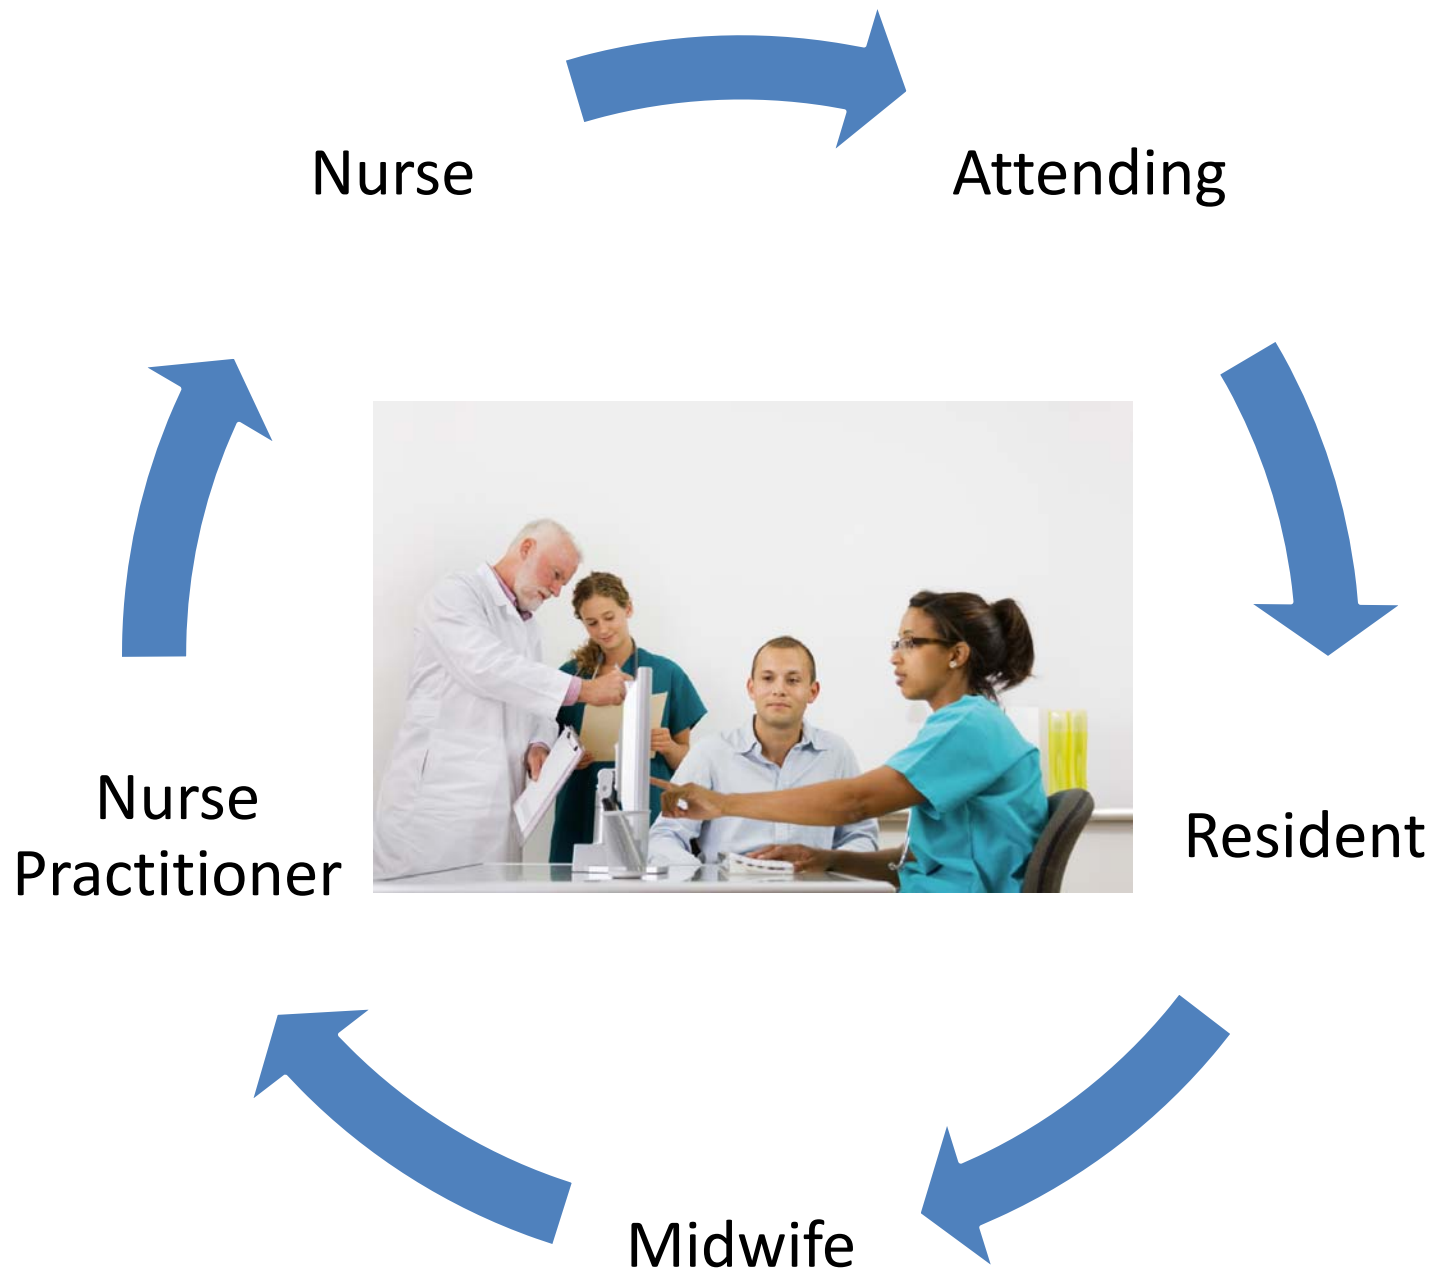

# What is Precepting?

- One-on-one relationship between a novice or new practitioner in an area by a proficient or expert provider to guide into the area.

# How do we Reach the Foundational Framework?

- Orientation
  - First Day
  - Goals and Objectives
  - Expectations for Success

# Barriers and Obstacles

# Barriers and Obstacles

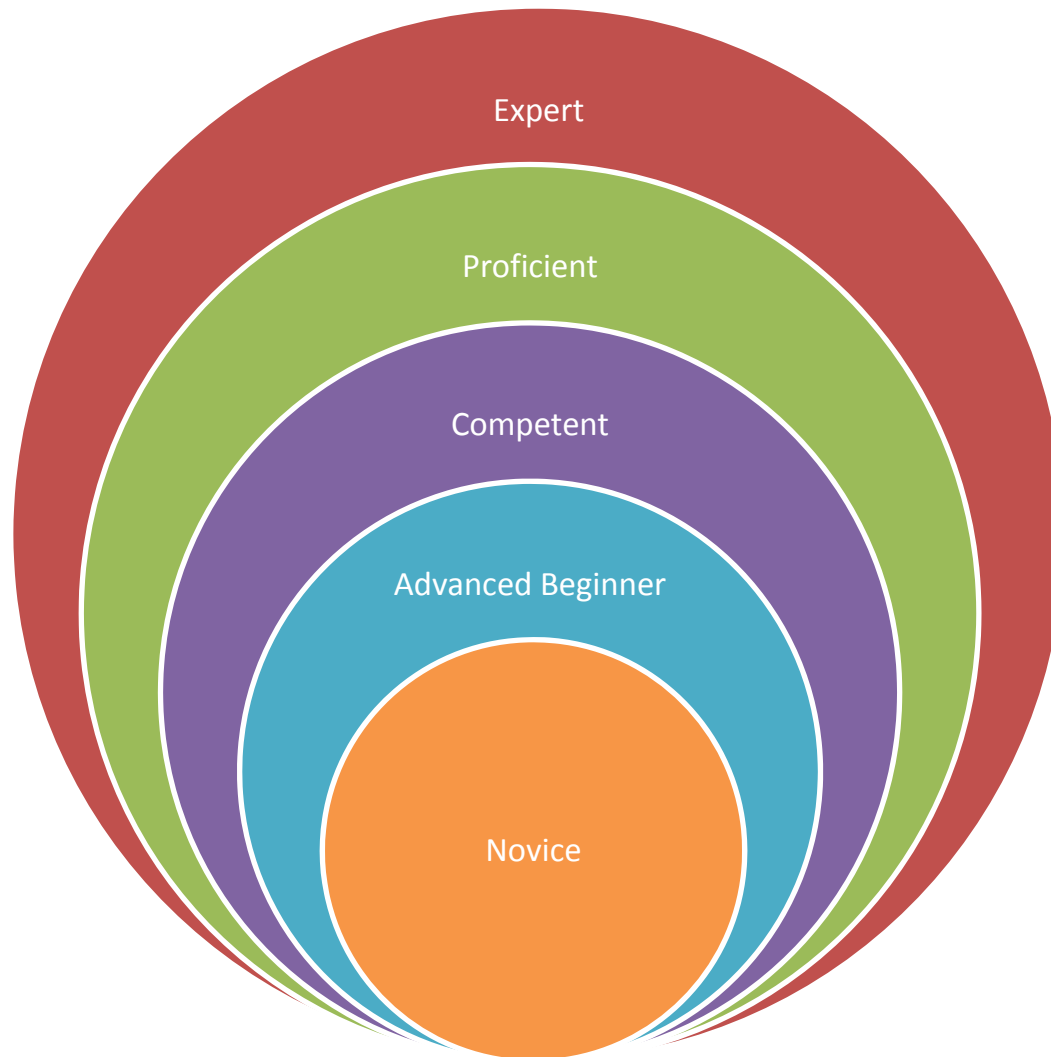

- Time Constraints
- Varying Educational Levels
- Interdisciplinary Communication
- Overwhelmed
- Apprehension

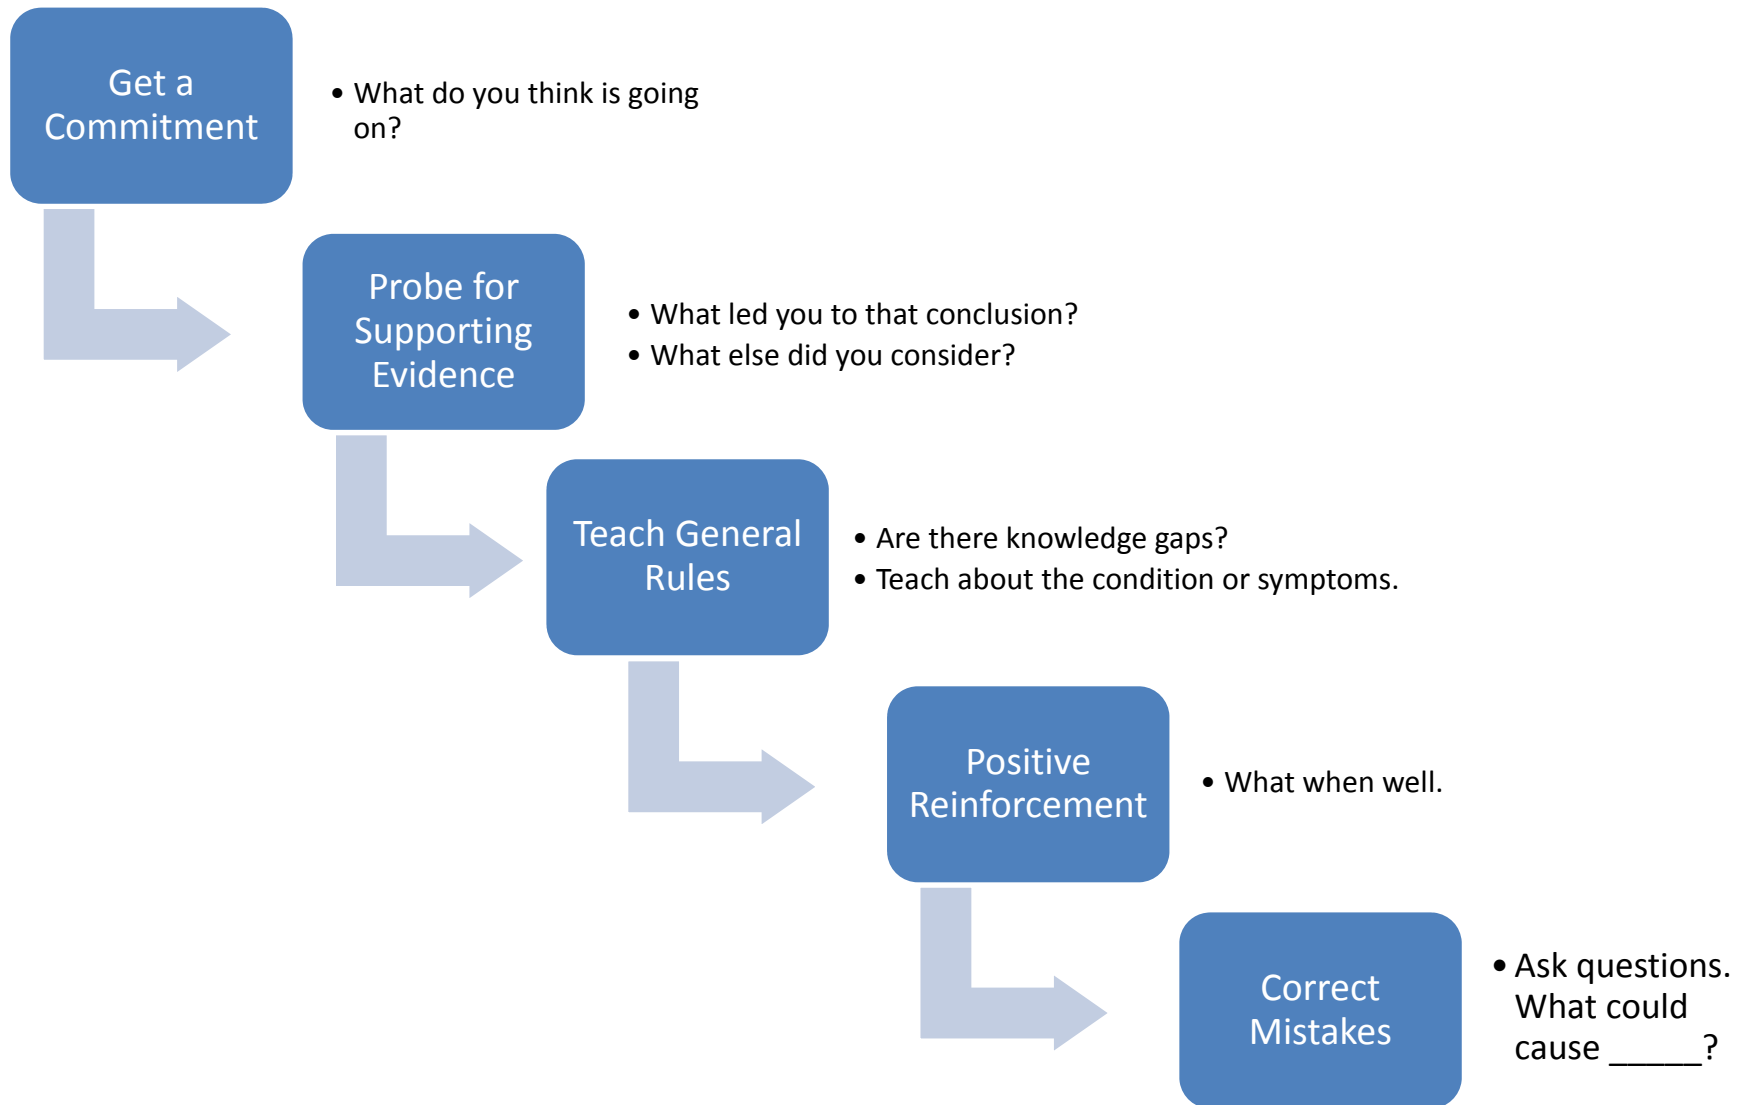

# How Can We Overcome the Obstacles?

# Tools & Models

# One-Minute Preceptor

# Guided Questions

- “A guiding question in the fundamental query that directs the search for understanding.” (Traver, 1998, p. 70).

Which patient has highest priority?

Who will you see first?

How did you reach this conclusion?

# Let's Try It....
