# CREATING YOUR ACCOUNT

1. Go to https://hscmoodle.health.unm.edu
2. Click on "**Create New Account**"

3. **Fill out all the fields** as corresponding.
   a. Click the "unmask" box in the password field to make sure your password is being entered correctly
   b. Type the reCAPTCHA

4. Click on "**Create my new account",** you will get a message saying "An email should have been sent to your address youraddress@yourmailclient.com..."
5. Go to your **e-mail**. You should have an e-mail from the HSC Moodle Admin with a link to confirm your account.
6. Click on the **link**, or copy/paste it in to a new tab in your browser
7. Tap "**enter**" in your keyboard to go to the site. This will confirm your account and log you in to the system for the first time.
8. Click on the "**Home**" link to go to the site's home page.
9. Click "**log out**" to exit the site.
