

### **COVID Testing for Scheduled Procedures on L&D**

- All IOL and C/S patients should be pre-screened and tested for COVID-19 48 hours prior to their scheduled admission date
- Providers should counsel patients on testing locations as noted below when scheduling procedures
- There should be no charge for the testing
- Patients should be instructed to self-isolate after the swab is obtained to reduce risk of new exposure
- Patients should be informed that they can expect a call 1 day prior to scheduled procedure to review result and confirm admission time (these calls will be made by the L&D provider team the day prior to the procedure)

### **TESTING OPTION 2: RESPIRATORY CARE CENTER @ UNMH**

Address: UNMH, Room 1500 in the Bill and Barbara Richardson Pavilion Room (BBRP).

Hours of Operation: 24/7

Instructions for patient:

- Present to UNMH pavilion entrance and tell navigators they need to be tested for COVID prior to scheduled IOL or C/S
- Patient will be directed to RCC
- Total visit time will take 5-15 minutes, depending on if others are waiting (swab itself only takes 30 seconds and best hours may be early morning)
- Providers/staff in RCC will be wearing PPE
- RCC is taking full cleaning precautions

### **TESTING OPTION 2: TRICORE ENCINO**

Address: 801 Encino Pl. NE Suite D

Hours of Operations: M-F 8:00am-5:00 pm

Phone number: 924-6910

For Provider/Clinic staff:

- Order "COVID-19 PCR for Asymptomatic Screening" (add indication: pre-admission for IOL or C/S and ENCINCO TRICORE in comments).

Instructions for patient:

- The door will be locked and they will need to knock on the door
- Lab Technician will obtain information and print labels
- Total visit 5-15 minutes depending on if others are waiting (swab itself only takes 30 seconds)
- Patient will be asked to wear a mask, expect during the swab
- Lab Technician will be wearing full precautions
- Lab is taking full cleaning precautions
